Track 1: Get Found

Digital Foundation & Local Dominance

Goal: Transform zero online presence or outdated platforms into high-converting digital storefronts.

- Mobile-optimized, high-speed website with integrated analytics
- Google Maps Local 3-Pack listing & review automation
- SEO, AI Engine Optimization (AEO) & business directories
- WhatsApp response automation for instant lead capture

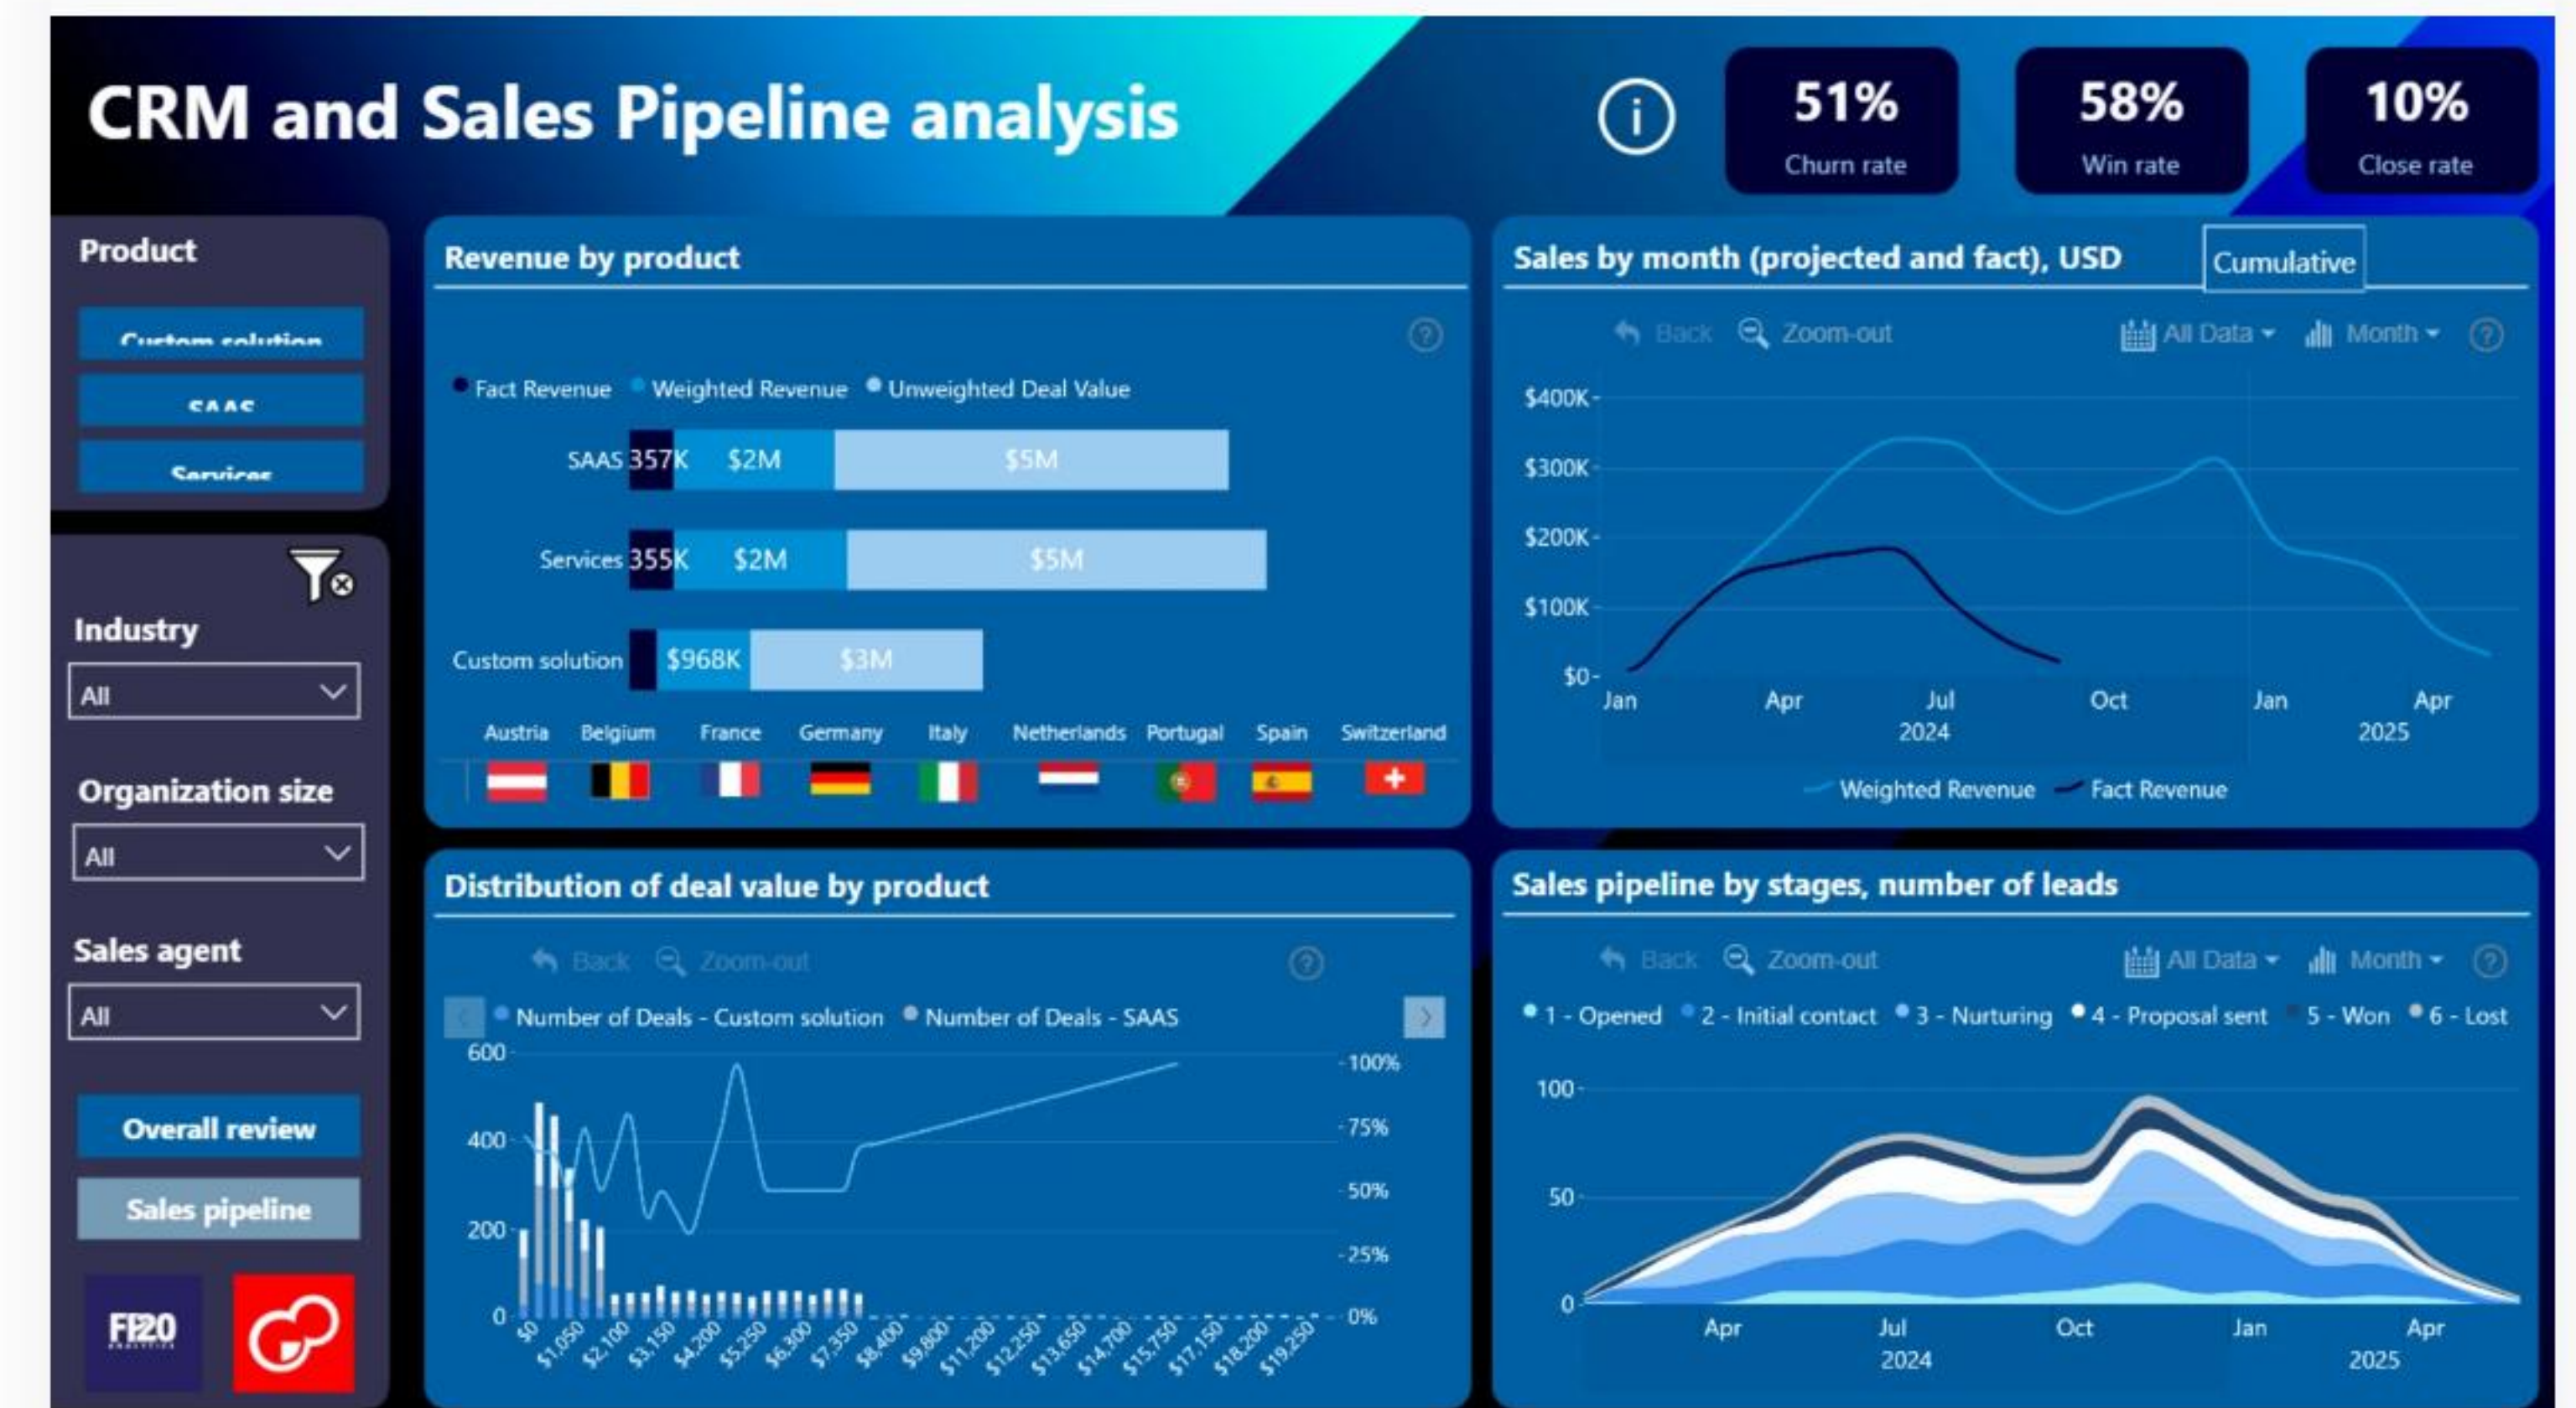

Track 2: Fill My Pipeline

Automated Customer Acquisition Engine

Goal: Turn digital visibility into a reliable, consistent influx of qualified sales leads.

- Comprehensive audit of existing revenue leaks in sales funnel
- CRM setup, pipeline structuring & lead nurturing workflows
- Targeted paid ad campaigns & automated email marketing
- Structured referral program design & social content management

Track 3: Business Accelerator

Whole-Enterprise Transformation

A custom 6-month intensive program designed to scale operations, optimize unit economics, align leadership, and build a fully documented, owner-run business model.
