

CORPORATE IDENTITY MANUAL

ELEMENTS OF THE **LOGO**

The Hulis Logo consists of 3 elements,
namely the logo type, payoff line and A icon.

The 3 elements should never be separated
and should always be used as unit.

1

HULIS

2

COME LET'S GROW

3

THE CORPORATE LOGO

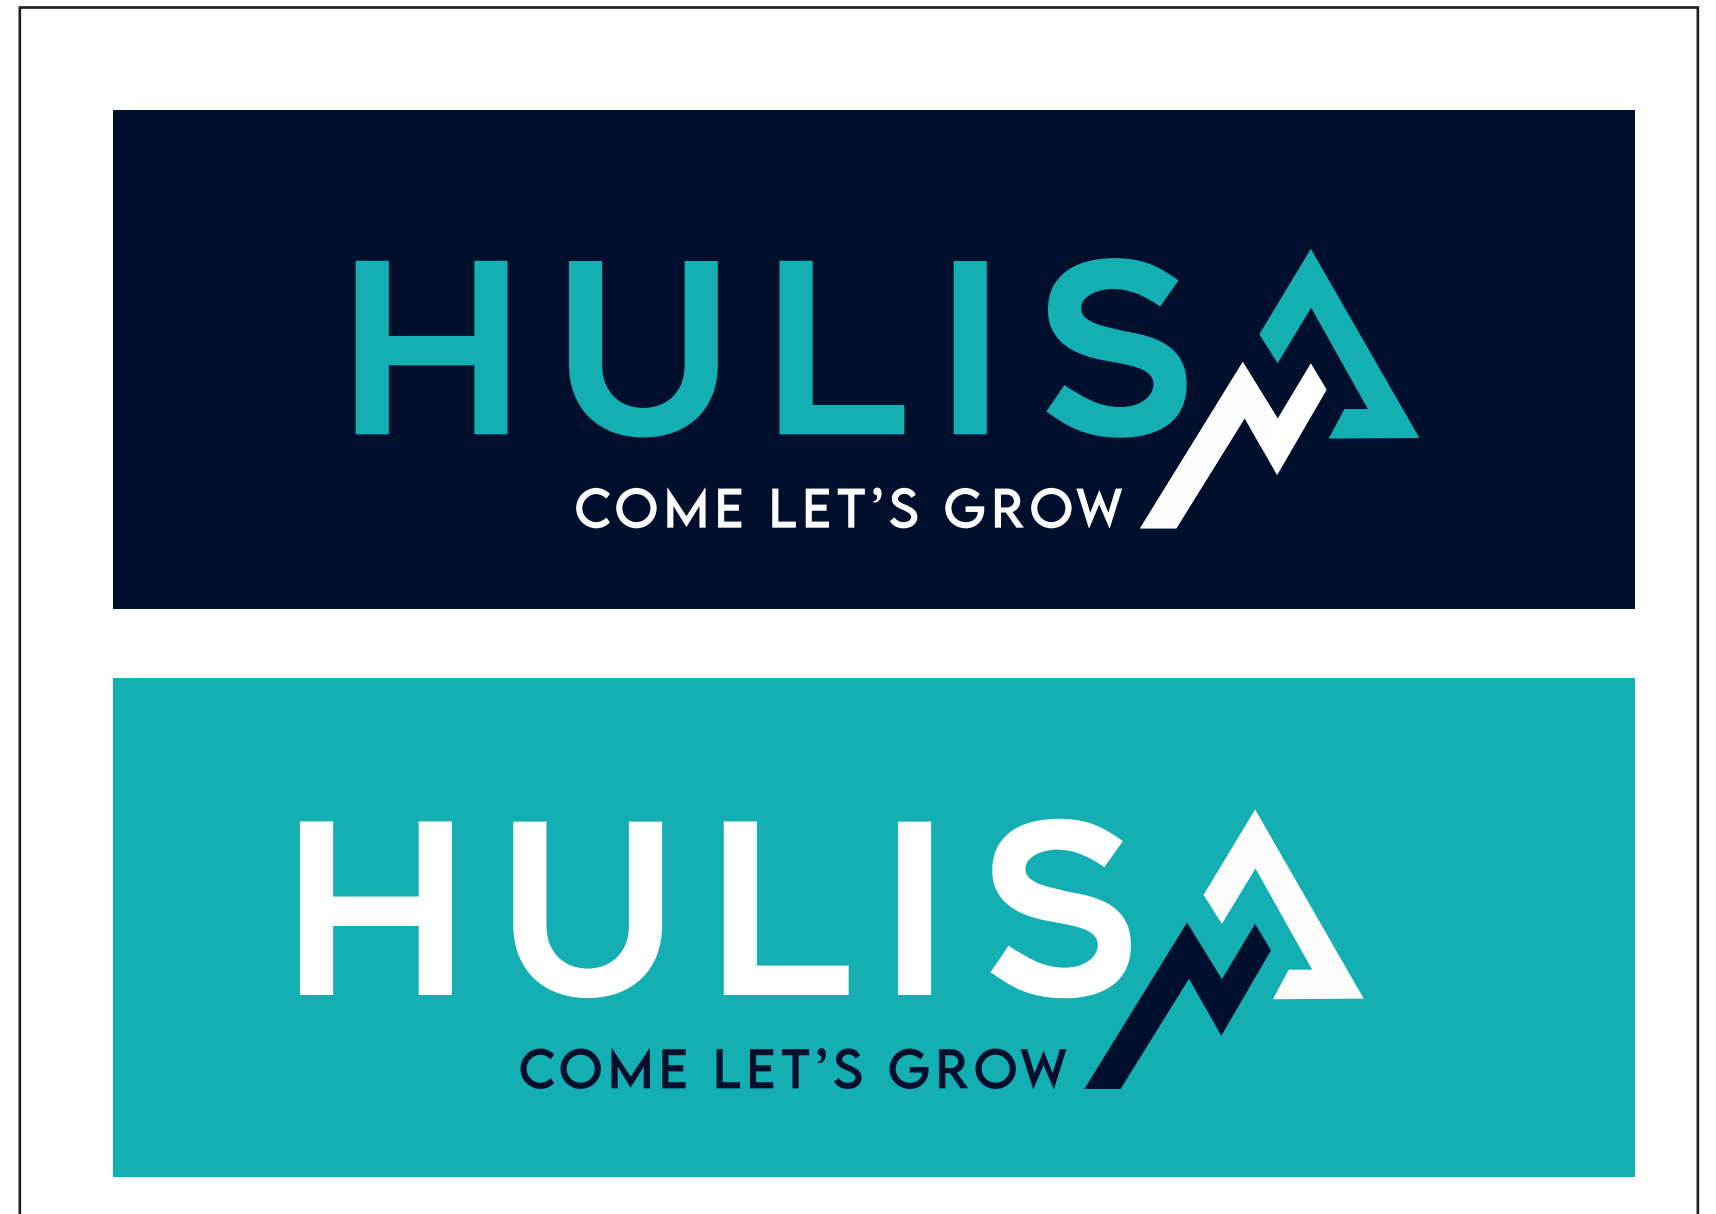

Primary Logo

This is the primary version of the logo and should be used whenever possible. Corporate logo is used on white background.

COLOUR APPLICATIONS OF THE PRIMARY **LOGO**

There are 2 sets of colours in the Hulisa Colour Palette, of which the dark colour is the primary option. The number of colours will be dictated by the application process and by the budget available.

MONOTONE APPLICATIONS OF THE **LOGO**

A monotone colour approach creates a design that feels clean, cohesive, sophisticated and visually consistent, because there isn't a mix of competing colours.

UNACCEPTABLE USES OF THE LOGO

Examples of common misuses of the Hulisa logo are illustrated to the right. please refrain from creating your own version of the Hulisa Logo.

NB. Preformatted artwork is freely available from the marketing department.

TYPOGRAPHY

PRIMARY HULISA **FONTS**

Carefully considered typography will reflect the carefully structured natured of the Hulisa Business. The correct typeface will help to communicate the brand and consisent use of the same typeface will serve to make the brand more recognisable.

The primary set of the Hulisa fonts are for use under ideal circumstances.

A secondary set of typefaces have also been identified and they are intended for in-house use where computers may not be configured for specialised typography.

EMAIL SIGNATURE

An e-mail signature is a block of text that is appended to the end of an e-mail message you send. Generally, a signature is used to provide the recipient with your name, e-mail address, business contact information, or Web site URL.

PRESENTATION FOLDER

Powerpoint has become a standard presentation tool for most companies. Its presents an opportunity to establish a brand and make it emirable.

Consistent brand application when using Powerpoint is therefore very important. Template have been created to suite almost all presentations.

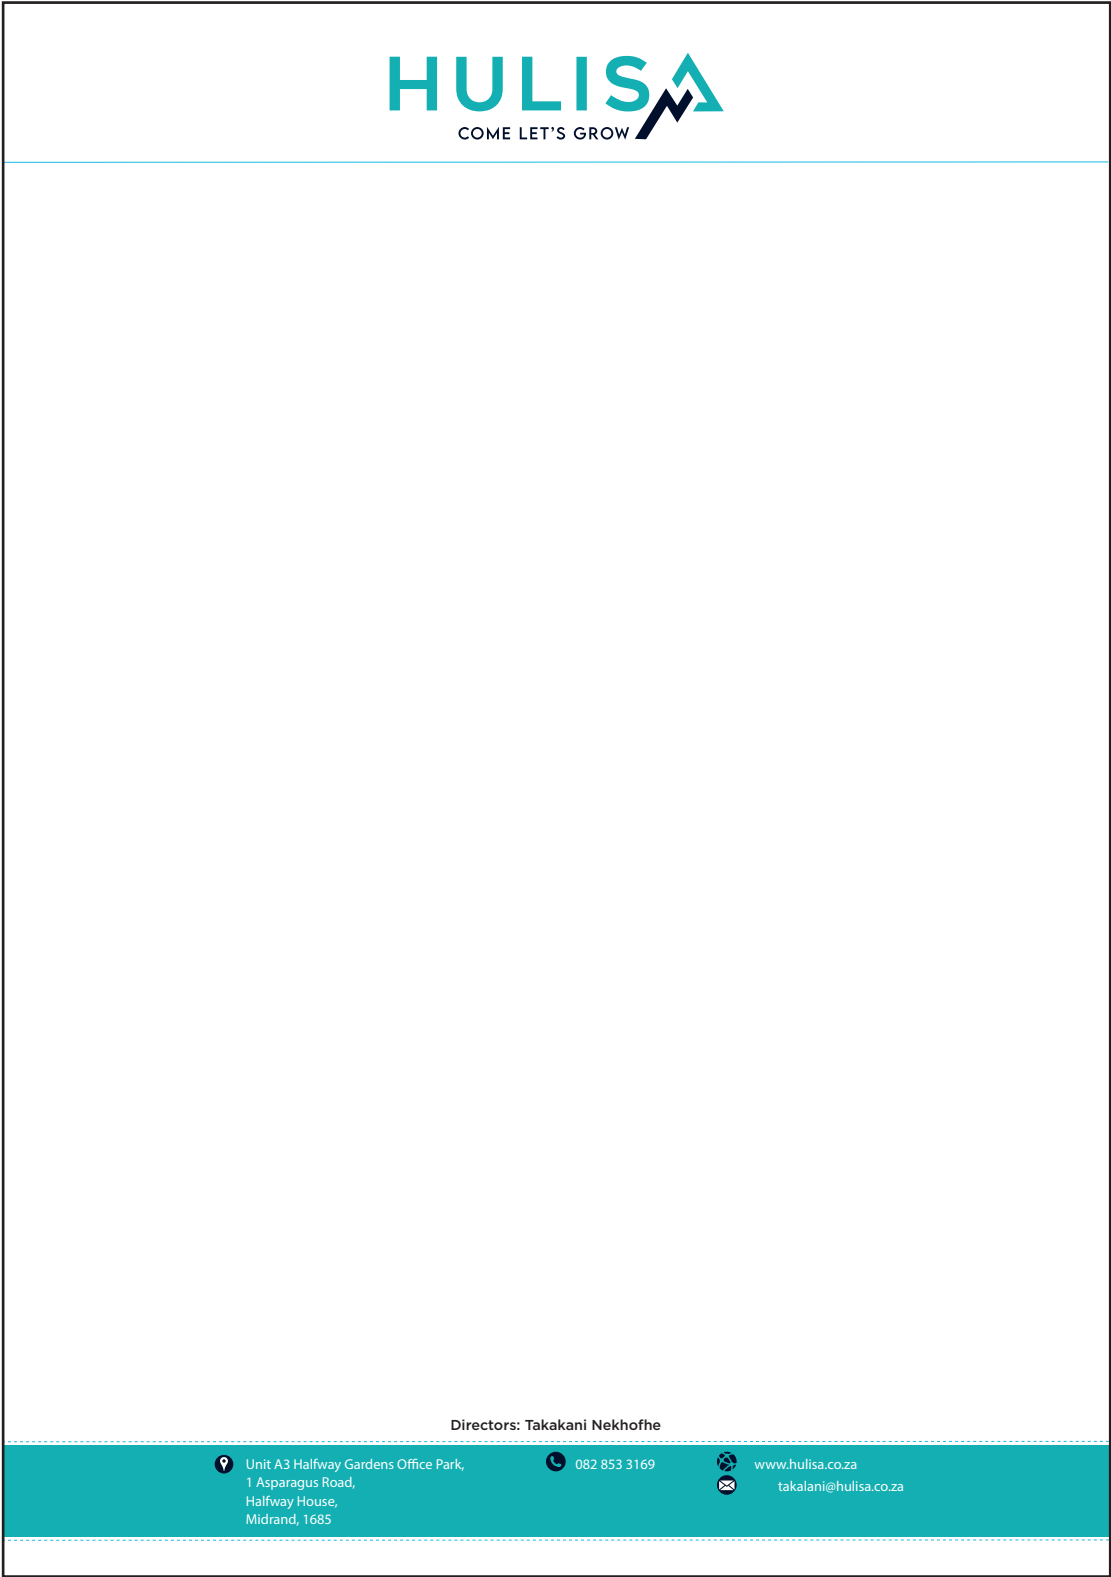

LETTERHEAD

A letterhead is a leagal document and should therefore be available. This should be available in Word format.

This makes it possible to email it, but it should be remebered that the quality of the printout will depend on the quality of the quality of the desktop printer used.

The example on this page shows a digital template letterhead as it appears in Word. Notice that the text of the letterhead can be added to complete the document.

COMPLIMENTS LIP

A compliment slip or with compliments slip is a slip of paper that contains the same name and address information that would be on a letterhead of formal letter stationery and space afterwards for a short handwritten message to be added. It is used in correspondence as an enclosure for other material.

CORPORATE WEAR **T-SHIRT**

Corporate wear T-shirts provides a cost-effective way to boost brand visibility, build team unity, and project a professional image.

CORPORATE WEAR **GOLF SHIRT**

Corporate wear golf shirts are the top choice for company uniforms because they blend a neat, professional collar with lightweight, breathable comfort

CORPORATE **WEAR**

Corporate wear caps act as walking advertisements that build brand visibility and foster team unity at a low cost.

HULISA

COME LET'S GROW

The logo features the word 'HULISA' in a bold, teal, sans-serif font. Below it, the tagline 'COME LET'S GROW' is written in a smaller, dark blue, sans-serif font. To the right of the tagline is a stylized graphic element consisting of two overlapping chevron shapes: a larger teal one and a smaller dark blue one, both pointing upwards and to the right. The entire logo is positioned on a white horizontal band that spans the width of the image. The background of the image is a dark navy blue, with a large, thick, teal arrow pointing diagonally upwards from the bottom left towards the top right, and a smaller white arrow pointing diagonally upwards from the bottom right towards the top left, creating a sense of growth and movement.
