Where You Are Falling Short:

Get Found:

Your online visibility and credibility have gaps. Customers are struggling to find and choose your business — meaning you are losing leads before the conversation starts.

RECOMMENDED PACKAGE

Get Found

Once-off payment

Your business needs a strong digital foundation. This package covers both your online visibility and your credibility — so customers can find you AND choose you over competitors.

Your Answers

- | | |
|--|-----|
| 1. When someone in your area searches for what you sell on Google, does your business appear on the first page of the results? | Yes |
| 2. Did you receive at least one new inquiry through your website or Google last month? | No |
| 3. Do you know which specific marketing activities are bringing in paying customers? | Yes |
| 4. Is your business listed on any business directory? | No |
| 5. Does your website have all of the following: Contact forms, inquiry capture, WhatsApp click-to-chat integration, and Call To Actions? | No |

6. When a prospect compares you with a competitor, can they find a clear value proposition that sets you apart?	Yes
7. Can a new customer easily find proof — reviews, testimonials, or case studies — that others have paid you and been happy?	Yes
8. Are you satisfied with how your business looks and the consistent corporate identity across all platforms?	No
9. Does your marketing lead with the result you deliver — not just a list of what you do?	Yes
10. When an inquiry comes in after hours on WhatsApp, does it receive an instant, professional response?	No
11. Do you know which social media platform to use to find your ideal customers and market your services?	Yes
12. Do you post content that educates your buyers, builds trust, and moves them closer to a sale?	No
13. If you stopped personally chasing business this month, would new sales continue flowing in?	Yes
14. Do you have an automatic lead follow-up system so inquiries never go cold without a response?	Yes
15. Do you convert 5 or more out of every 10 quotes you send to paying customers?	No
16. Do past happy customers come back or refer you — without being asked?	Yes
17. Can you state your expected revenue for the next 60 days with confidence?	Yes
18. Do you get your customers to rate your service?	Yes
19. Do you have a list of all your current customers, prospects, and past customers?	Yes
